Stone Plastic Core (SPC)

SPC flooring combines the strength of stone and the beauty of wood. Designed to resist wear and retain a luxurious look for decades. It is also a breeze to install, clean, and maintain providing realistic three-dimensional replication of natural materials. It is not susceptible to temperature-related expansion and contraction, as with other vinyl flooring products.

Los suelos SPC combinan la fuerza de la piedra con la belleza de la madera. Diseñado para resistir al desgaste y conservar un look lujoso durante décadas. También es muy fácil de instalar, limpiar y mantener, proporcionando una copia 3D realística de los materiales naturales. No es susceptible a la expansión y contracción producidas por la temperatura, como ocurre con otros tipos de suelos vinílicos.

Eco-friendly

It is Stone Plastic Composite, so they are formaldehyde free.

Ecológico

Está compuesto por una mezcla de piedra y plástico, por lo que está libre de formaldehído.

Speed of installation

Installs about 40% faster than traditional Glue Down.

Rápido de instalar

La instalación es un 40% más rápido que con el Glue Down tradicional.

Waterproof

Our SPC Flooring is 100% waterproof, also can be installed in kitchen & bathroom.

A lifetime of sustainable flooring

100% recyclable.

Contributes to improved indoor air quality with VOC emissions below quantifiable level, less than 10ug/m3 after 28 days.

Uses a phthalate-free technology, based on alternative plasticizers that can be used for sensitive applications such as the production of toys, food packaging and medical devices.

- 1 Surface embossing & textures: close to real materials
- 2 UV reinforcement: extreme resistance and easy low-cost maintenance
- 3 0.3/0.5mm pure PVC transparent wear layer: exceptionally hardwearing and indentation resistant
- 4 4 colours options in high definition printing; with great customisation possibilities
- 5 Unique composite structure built with solid homogeneous calandered layers reinforced with non-woven glass fibre: exceptional dimensional stability and excellent resistance to tear and indentation
- 6 PVC backing
